Margaret River, WA: Yarri

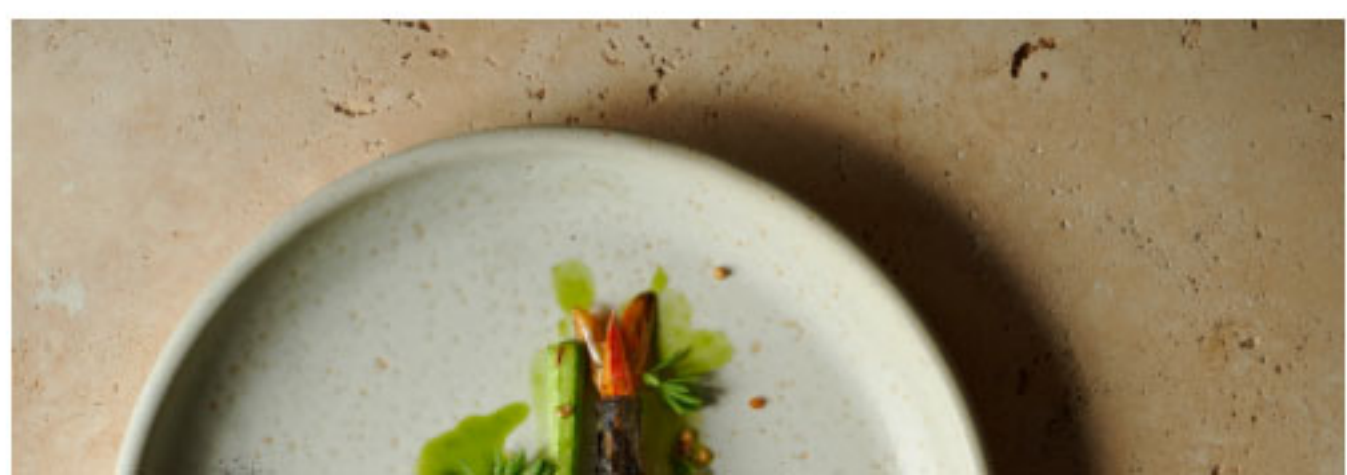

Food: After spending 21 years at Vasse Felix, chef Aaron Carr has created a new restaurant in conjunction with the winemakers at Snake and Herring. Inspired by the six seasons of the local Noongar people, the menu features sustainably sourced ingredients.

Drinks: All 20 Snake and Herring wines appear alongside a tight, ever-changing list of other regional and international drops.

Atmosphere: Dine in the courtyard under the trees or nab a table in the dining room with limestone, timber, terracotta and leather finishes.

Location: The coastal town of Dunsborough, the gateway to the Margaret River region.
